

Hello Supporters, Donors and Friends of It's A Snow Day,

Prostate Cancer Foundation BC is proud to present It's a Snow Day on Friday February 25th, 2022. Sadly, 1 in 8 men in Canada will be diagnosed with it in their lifetime. Since 1997, Prostate Cancer Foundation BC has provided these men and their families access to resources and support, while raising awareness about the disease and providing crucial funding to prostate cancer research and survivorship programs throughout the province. We strive to make a difference in the lives of the men affected by prostate cancer in, but we need your help!

It's a Snow Day is being held at Mt. Seymour. People compete individually and in team for the fastest time as well as to guess times! The majority of funds raised for the organization come from events through registration fees, pledges and sponsorships. These pledges come from our participants who are constantly asking for financial support for their campaigns. To support, encourage, and thank these individuals and groups for their efforts, we offer prizes for the top collectors, as well as prizes for on-course awards.

We would like you to consider donating an item or gift card that we can use as a prize. With your help, we will be able to continue to show our appreciation to the hundreds of individuals and teams who put so much time and effort into fundraising for Prostate Cancer Foundation BC, and hopefully encourage them to raise even more!

Thank you for your time and consideration.  
Sincerely,

*Nicole Sirockman*
